ENGLISH TERMS IN INFORMATICS

SESSION III

Formative assessment I: Term C

Activity I

O What are the main parts of a debate and how are they defined?

Activity II

O Form pairs to discuss a **LIST OF Dos** to help you prepare for your own debate presentation

LIST OF DEBATE DOs

O What does a time keeper do?

O What do the speakers' presentations involve and what are the rules included?

O What are the roles that the speakers take and how are they formed?

Activity III

O **Form teams of four**

O Per twos decide the 'for' or 'against' side for your topic

O In your pair, share the ideas you have already pre-brainstormed

O In twos, prepare the support of your arguments

O In fours, present your for and against arguments in class
